Dear Ms.Crose:

This is a final response to your 28 September 2018 Freedom of Information Act (FOIA) request for information on the following:

- 1. Full declassification of attached cable found in the CREST database dated NOV 29 2233z 60 from LEOPOLDVILLE station to DIRECTOR RE: QJWIN on apparent exfiltration operation in Congo.**
- 2. Any other cable traffic/information referenced by or to this cable.**

We processed your request in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 3141, as amended.

With regard to Item 1, we located and completed a re-review of the document responsive to your request and determined that additional information can be released with deletions continuing to be made on the basis of FOIA exemptions (b)(1) and (b)(3). A copy of the document is enclosed at Tab A. Exemption (b)(3) pertains to information exempt from disclosure by statute. The relevant statutes are Section 6 of the Central Intelligence Agency Act of 1949, as amended, and Section 102A(i)(1) of the National Security Act of 1947, as amended.

With regard to Item 2, we completed a thorough search for records responsive to this portion of your request and located two documents, which we can release in segregable form with deletions made on the basis of FOIA exemptions (b)(1) and (b)(3). Copies of the documents are enclosed at Tab B.

As the CIA Information and Privacy Coordinator, I am the CIA official responsible for this determination. You have the right to appeal this response to the Agency Release Panel, in my care, within 90 days from the date of this letter. Please include the basis of your appeal.

If you have any questions regarding our response, you may contact us at:
